

Dear participants of World Summit of Students for Climate

This is a WSSC info letter no. 1.

Please, read through this letter carefully section by section.

1) Booking your flights

Arrival to Helsinki Vantaa airport:

- Please make sure you have read through the instructions for your arrival: <https://wssc.enoprogramme.org/general-info/arrival-29-may>
- Your plane should land no later than 3:30pm, on 29 May

Departure from Helsinki:

- The summit will be finished at 1:30 pm, on 5 June. The recommended time for the departure of your flight is 4pm and after.

Unfortunately, WSSC cannot offer accommodation before or after the event. The first night of accommodation arranged by WSSC is 29.-30.5. in Luovi, and the last night is 4.-5.6. in Helsinki. If you want to stay in Finland longer or arrive earlier, you will have to arrange your own accommodation for the extra days. (See WSSC website.)

2) Practical info questionnaire: <https://forms.gle/RCi4Jbxd8EtvV4de9>

Every participant must fill this questionnaire with their own personal information **by May 3rd**. If you are a teacher and your students have registered with your email address, please let your students know about this questionnaire and ask them to answer it with their own information. If a student does not have their own email address, they can easily make one with gmail or with some other email provider.

3) Howspace

We are using Howspace as the platform for discussions and group work. Once we have your email address, we will send you a link to Howspace and you can start contributing to the Summit. As the first thing, please read through the Practicalities and the Preliminary assignment parts.

- Practicalities: Especially notice that we expect you to bring your **own towel**. It would also be wonderful if you could bring your country's cultural dress, item, flag or all of these.
- Preliminary assignment: Please notice that each participating group should start the preliminary assignment before the summit. We are expecting your videos **by May 5th**. Please, also remember to send the students' photos.

4) The 2nd info letter

We will send you a second info letter in the beginning of May, to collect information about your flights/arrival, research permit, media consent/release, as well as to provide you with information about our health and safety plan and the details of the summit programme.

Best regards

your WSSC team from ENO Schoolnet Association, Joensuu
