Dear Linda Giannini,

Emanuele Micheli micheli@scuoladirobotica.it submitted the following paper to TR-TwR-2010:

Pinocchio 2.0: robotics from kindergarden to University

You are listed as one of the authors of this paper. To enter the TR-TwR-2010 Web pages you should visit

<http://www.easychair.org/conferences/?conf=trtwr2010>

If you have no EasyChair account you should first create an account. To this end, you should use the above mentioned Web page and click on "I have no EasyChair account".

If you have an EasyChair account, then you will not be able to access the TR-TwR-2010 Web page from that account, since the email address calip@panservice.it used by Emanuele Micheli to add you as an author is not associated with the account. In this case you should do the following:

- (1) Log in using your account information.
- (2) In the EasyChair menu, follow the menu tabs "EasyChair->My Account".
- (3) Add calip@panservice.it as an alternative email address to your account (this is not immediate since the addition will involve authentication using email-sending).

Best regards,
EasyChair Messenger.
